ANALYSIS

This is the first extension of time request for the approved Waiver (WVR-13432) of Title 18.12.130 to allow a non-circular cul-de-sac. This Waiver was submitted in conjunction with a Site Development Plan Review (SDR-13428) for a 99-unit expansion to an existing Senior Citizen Apartment. This Waiver (WVR-13428) is exercised with the recordation of a Final Map. There has been no significant changes in the surrounding site accessibility or roadways that would be adversely affected by the approved Waiver. Although a civil plan review for an apartment complex has been submitted to staff for review there has not been a Tentative Map submitted to the Planning Commission or a Reversionary Map to combine the three associated parcels.

FINDINGS

This request for an extension of time of the approved Waiver (WVR-13432) is deemed appropriate with a two-year time limit, which will expire on 08/16/10 unless another extension of time is granted by the City Council.
